

Dressage success

LONDON. — Taupo's Fiona Craig, after years of struggling to make it to the top in dressage, today achieved her best-ever international result.

She and her horse Marcus were second to British Olympian Emile Fauri and Virtue in the selection trial for the British team to go to the European championships.

Craig's performance was hailed by world champion three-day event rider Blyth Tait as "the best to date anywhere in the world" by a New Zealand dressage rider.
